

WELCOME!

We are honored by your presence. If you are visiting for the first time because you want to explore life with others in a Christian congregation, or returning because you sense a calling and you need more time to discern, we are here to help you.

The tear-off at the bottom is designed to let you give us as much or as little information as you like: fill in or check off only what you want if you desire more information or have a specific question about the people and opportunities in Christ Church. You can place it in the alms basin or give it to one of the clergy or an usher. It is important to us that our response to your inquiry is tailored to your visit today or to your personal journey.

May the Peace of the Lord be always with you.
